Dear Ms. Davis:

The Diane Black for Congress Committee (FEC ID # C00472878) is in receipt of your Request for Additional Information dated March 10, 2014 regarding the Committee's 2013 Year End Report (10/01/2013- 12/31/2013).

The committee has reviewed the summary pages for this report and has submitted an amendment to correct the Column B amounts on the Summary and Detailed Summary Pages.

The committee has reviewed the transactions identified in the RFAI for excess contribution limits. All individual donors with apparent overlimits were resolved as a matter of course per the regulations relative to reattributions/redesignations and these memo transactions will appear on the committee's subsequent report. Furthermore, the PAC contributions were carefully reviewed and both are federally registered, qualified multicandidate committees that are limited to 5,000.00 per election. Both Abbott Laboratories Employee PAC (FEC ID C00040279) and Abbvie PAC (FEC ID C00536573) have not exceeded this limit. Therefore, no refund or amendment concerning these transactions is necessary.

Finally, the committee has reviewed the transactions on Schedule B that were indicated as voided checks. The contribution refund to Mr. Greg Giffen was issued in error as the donor was, in fact, not overlimit for the 2012 cycle. The voided check to Kimbia was a duplicate payment check that was never cashed by the vendor and there are no outstanding debts owed to this vendor. Therefore, no disgorgement of these funds is necessary and no amendments concerning these transactions is necessary.

Sincerely,

Tommy Whittaker
Treasurer
